

BANNER® HOSTING GRANT OVERVIEW

The Banner® Hosting Grant provides selected institutions an in-kind grant award up to \$250,000 over a period of five years. The Grant is intended to cover the cost towards licensing, hosting, professional services, and support costs associated with the implementation of the solution.

Note: The in-kind grants for software and services are underwritten by selected Campus Consortium Technology Vendors and are designed to provide a variety of solutions, products, and services to help Institutions reduce costs while implementing the vendors' technologies on campus. Interviews and technical assessment are required of all selected applicants.

**A limited number of grants to be awarded.*

BANNER® HOSTING GRANT BENEFITS

This grant provides institutions the opportunity to simplify their database administration with an expert team that is agile and adaptable to the institutions' changing needs.

- An experienced team of SMEs with backup resources
- Consulting, training and post-implementation support
- On-site, remote and after-hours technical support
- 24x7 monitoring and backup with disaster recovery solutions
- Real-time transparency for time-tracking

WHO CAN APPLY & WHAT IS THE QUALIFICATION CRITERIA?

- Accredited Higher Education institutions and K-12 schools are eligible to apply.
- Institutions are eligible to apply for multiple grants. Separate applications are required for each grant pursued.
- Applicants are required to demonstrate institutional purpose in the form of a "letter of intent" signed by Dean/President or member of campus leadership team. The letter should indicate the challenges the solution aims to solve and why the grant would be helpful to the institution.

**Previous awardees are eligible to apply.*

GRANT APPLICATION DATES AND DEADLINES

Grant applications will be accepted until **September 27, 2019**.

Applications will be reviewed by our Grant Consideration Committee and will be followed up by an applicant interview and technical assessment conducted over a teleconference. If selected, a Grant Award Letter will be issued to the applicant institution during Educause at Chicago or by **October 18, 2019**.

Note: Dates and deadlines are subjected to change based on the volume of applications received by the Consortium.
