

ABOUT THE CAMPUS CONSORTIUM

Founded in 2003, the Campus Consortium is a leading non-profit education association with thousands of higher education institutions and K-12 school district members. The Campus Consortium mission is to help members reduce the time, cost, and effort associated with implementing enterprise IT services by leveraging shared IT services, lessons learned, and best practices so that each member can avoid reinventing the wheel when adopting new education technologies.

STRENGTHENING CORE FUNCTIONS OF EDUCATIONAL INSTITUTIONS SINCE 2003

Our objective is to extend a helping hand and provide institutions with excellent opportunities to unite, improve, learn and overcome obstacles through our Grant Programs, EdTalks, Case Studies, Peer Reviews and Community Engagement.
