

Dear %%first_name%%,

Campus Consortium has published the **Identity & Access Management Magic Box Report 2021 for Higher Education**.

The Higher Ed Identity & Access Management Magic Box is a culmination of research in the higher ed technology marketplace, giving a wide-angle view of the relative positions of the market's competitors. By applying a graphical treatment and a uniform set of evaluation criteria, the Identity & Access Management Magic Box Report is designed to help you quickly ascertain how well technology providers are executing their stated visions and how well they are performing against Campus Consortium's market view.

The report has been developed in collaboration with [Raffi Simonian](#), Senior Program Manager at University of California, [Ajit Singh](#), CIO at Reinhardt University, and [Dr. Karl Horvath](#), CIO at La Salle University for campuses for campuses who are looking to implement Identity & Access Management.

Click on the Identity & Access Management Magic Box below to access the detailed report:

Also, if your institution is looking for financial support to help implement an Automating Student/Staff Onboarding & Offboarding (Identity Management) solution then you may apply for the Campus Consortium's [Automating Student/Staff Onboarding & Offboarding \(Identity Management\) Grant](#) by **January 27, 2021**.
